CREATE YOUR STYLE Design Project

Summer Holiday Sun Cap "Summer Breeze"

- STEP 1: Print out the pattern with measurements as shown in the illustration and cut out along outline (make sure to increase size to measurement 1:1).
- STEP 2: Put some double sided sticky tape onto both patterns and stick each onto a plastic folder (use each plastic folder double as it is).
- STEP 3: Use sewing machine and sew exactly along the outline of both patterns and cut out parts leaving a 1 mm border next to seam. Remove the paper pattern.
- STEP 4: Cut 35cm of 5cm Ribbon and sew it onto the first pattern as you see in illustration.
- STEP 5: Sew both patterns with ribbon as you see in illustration. Cut off excess ribbon with scissors.
- STEP 6: Turn the cap over.
- STEP 7: Cut 2 pieces of violet jersey: A 40cm and B 55cm
- STEP 8: Start with jersey A and sew the jersey onto the top part of the front side of the cap. Sew a border of 1cm around the cap. Then turn jersey to back side.
- STEP 9: To fix jersey on both sides sew with sewing machine along border as you see in illustration (black dotted line). On back side cut off jersey after sewing. Repeat Steps 8 – 9 once with jersey B.
- STEP 10: Cut 3 pieces of 150cm of green jersey and fold each piece over 3 times. Attach all 3 pieces with a pin and start braiding as you see in illustration.
- STEP 11: Braid to the end and fix ends with a pin, then attach the beginning and the end with invisible stitches using needle and nylon thread.
- STEP 12: Sew the braided jersey piece onto the cap with needle and nylon thread. Then sew the SWAROVSKI ELEMENTS onto the jersey as you see in the illustration.
